60					
70					
80					
90					
100					
110					
120					
130					
140					

The diagram shows a 3D perspective of a hexagonal pillar. The top face is a regular hexagon. Two dimensions, A and B, are indicated with arrows pointing to the top edges of the hexagon. A vertical dimension line on the left side of the pillar is labeled 'L = VARIABLE', indicating that the height of the pillar is not fixed.
